

STUDENT SUCCESS STORIES

"I love tourism,
you get to experience so much!"

nvit alumni Rhonda Shackelly, business diploma

Rhonda Shackelly, from the Soda Creek Band, completed her Business Diploma (2004) at NVIT and then continued on to get her Bachelor of General Studies Degree through an affiliation between NVIT and SFU.

Rhonda is currently working as the Coordinator for her band's Economic Development Department. The picture to the left is of Rhonda at one the heritage sites she manages.

Rhonda comes from a strong family line of NVIT learners including her sister and mother who both graduated from the NVIT Bachelor of Social Work program. Rhonda says she wasn't just a student number at NVIT and found those at NVIT went above their call of duty to ensure the students' needs were met. "NVIT is an inviting, friendly, cultural environment that made learning fun. It is also a family friendly environment; you could bring your children to study, even though at times they may get a tad too loud in the library."

“FOLLOW YOUR DREAMS, ALWAYS BELIEVE IN YOURSELF AND WHO YOU ARE; WE ALL HAVE SOMETHING TO OFFER.”

nvit alumni melissa pinyon, law enforcement preparation

Melissa Pinyon, Law Enforcement Preparation (LEP) Graduate, is currently working as a Summer Student with the Merritt City RCMP. Melissa enjoyed her experience in NVIT's LEP program, especially meeting new friends and knowing she was able to get through the same physical training that RCMP candidates endure. Melissa is also excited about the travelling opportunities involved in becoming an RCMP Officer.

TAKE FLIGHT AT NVIT.
